Employment for Military Spouses

Military spouses are highly skilled, motivated, and flexible professionals with a strong work ethic. Zeiders enjoys helping them leverage their unique talents and cultural affinity with our career opportunities. We see that the specific responsibilities of military life add to the experiences and diversity of thought of military spouses as employees.

Frequent relocations and obligations during deployment may leads to resume gaps. We understand that military spouses are involved in activities and volunteer roles and gain additional skills and talents through these efforts. Highlighting volunteer work and adding the variety of jobs that provide added experience and align with skills is a good way to ensure their resumes and applications truly reflect their abilities.

Many Zeiders employees retain employment through multiple moves and duty station changes. Military spouses join us with a purpose; they want to make a difference to the service members, Veterans, and families we support.

"At Zeiders, we combine our employees' personal passion for service with performance-based development and training for the single purpose of empowering our clients to achieve a better quality of life."

Why We Hire Veterans

Veterans bring a wealth of real-world life experience to the workforce. They understand the challenges and commitments of military service and the impact that this lifestyle has on the extended military family. Zeiders legacy of empowering individuals and families in ways that make a positive difference in their own lives, and in their communities, coordinates perfectly with the background that Veterans bring to their employers.

Cross-walking the wide variety of skills developed through service is key to helping Veterans find the right career opportunity. As a Best for Veterans employer, we understand how to translate these skills into career options that ensure Veterans find another way to serve with an organization where they can develop their skills and grow.

Our long-standing dedication to military quality of life means we offer services to the military and veteran communities that are comprehensive and meaningful in terms of individual impact while connecting Veterans with fulfilling and meaningful careers.
